**ENTER A WORLD
OF ABSOLUTE BEAUTY
AND WELL-BEING**

Romantic by nature, Parisian by excellence! Part chateau, part family townhouse, the Saint James Paris is a legendary address, tucked away from prying eyes. Altogether a Relais & Châteaux member hotel and a private club, it cultivates the quintessential Parisian art de vivre, reconciling paradoxes with elegance and feather-light touch. Grandiose and intimate. Romantic and exclusive.

Fully renovated in 2021, the Saint James Paris hosts the prestigious Maison Guerlain in its Spa combining exclusivity and excellence and stretching over 400 square meters and two floors. It offers three handsome treatment rooms including one double, a fitness room and a well-being area with a hammam, a sauna, a whirlpool and a sublime surprise: an sumptuous 15 x 4 metre swimming pool. The majestic Burgundy stone staircase, large vaulted spaces, Greco-Roman details and a bas-relief by François Mascarello alongside the pool transport you to a luxurious and peaceful universe.

Guests of the Spa benefit from the well-being area one to two hours before their appointment time in case they book a treatment of minimum 1h long.

Discover the Guerlain treatments, a perfect union of effective know-how and aesthetic expertise. Take advantage of the specific attentions of the Saint James Paris and savour an unforgettable moment of well-being.

THE ART OF SKINCARE

KNOW-HOW & DARING

Guerlain opened its Institute and aesthetic training school in 1939. It has since trained all its Beauty Experts there, inspiring them to be ambassadors for Guerlain excellence. Throughout the world, these Experts carry out treatments requiring tremendous technical skill, such as the 19-minute facial treatment, which is considered as an industry standard. Spurred on by its pioneering and enterprising vision, Guerlain has been developing massage techniques that combine tradition and innovation for the past 80 years.

With its years of know-how and expertise, Guerlain ensures that every single treatment is an outstanding and personalised experience. Guerlain Beauty Experts perform Guerlain protocols with perfect skill, while being attentive to each individual. The diagnosis stage allows the Experts to adapt their movements and pressure to meet precise needs and expectations. For a unique and absolutely unforgettable experience...

AN INDIVIDUAL APPROACH
FOR INSTANTLY VISIBLE AND
LASTING RESULTS

AWAKENING THE SENSES

Inside an intimate cocoon, soothed by relaxing music, the senses are aroused and the mind is calmed. Before each treatment, Beauty Experts ask each guest to choose their own olfactory theme to create an atmosphere of relaxation and serenity. This theme helps to encourage gentle relaxation and to ensure that the journey to well-being is enjoyed to the full.

Rare orchids with outstanding longevity properties, healing bee products... Since it was founded, Guerlain has been inspired by nature, respectfully drawing on its sensoriality and effectiveness. This unique quest for perfection is echoed at every single Guerlain Spa. Inside each haven, complex rituals are performed to the most exacting standards, the result of extensive development and research. So that every single Guerlain treatment, throughout the world, is an unforgettable experience.
